Project GROWS is a non-profit organization with the mission to improve the health of children and youth in Staunton, Waynesboro and Augusta County through garden based education and access to fresh local foods. The Annual Project GROWS Plant Sale helps to fund our educational and food access programming throughout the community. Thank you so much for your support of our mission, and happy gardening!

Purchasing will take place online and the plant pick up will be drive-thru only at the Project GROWS farm. Thank you for your continued support!

SNAP Customers

If you would like to use your SNAP/EBT card to purchase seedlings from our plant sale please email laura@projectgrows.org and learn how you can save on your order! SNAP can be used on *edible plants only* including fruits, vegetables and herbs and cannot be used for flower plants or merchandise.

Instructions for Online Orders

Please note: If you already have a Lulus account, easily access the Project GROWS Plant Sale shop by clicking the avatar button on the top right of your screen, select "My Membership" and choose the Project GROWS Farm pick up location from the drop down menu.

If you do not have a Lulus account:

1. Go to the [Project GROWS Online Market Page](#)
2. Click the "Start Here" button on the main screen to set up your customer profile.
 - a. Use the promo code LetsGROW to sign up for free OR purchase a membership as a donation to Project GROWS.

- b. Select the Project GROWS farm pick up location. This is where you will be picking up your order.
3. After you have created your customer profile and click “Register”, you will receive an email confirmation. Follow the link in the email to activate your account. You are now ready to start shopping!
4. Saturday, May 1st - Thursday, May 6th: On the home screen, click the “Shop Now” button to view products available at the pick up location you selected. In addition to seedlings, we will also be selling Project GROWS merch!
5. Add items you wish to order to your cart as you shop. Once you are ready to purchase your order, check out using our secure Stripe pay portal.
6. After payment is complete, your order will be processed and ready for pick up on Friday, May 7th on the Project GROWS farm between 4 pm and 6 pm!

Instructions for Drive-Thru Pick-Up:

1. Please arrive at the farm with a piece of paper in the passenger side window with the first and last name used for the online purchase clearly written. *This helps to keep the line moving and gives our team confidence that we have the correct order!*
2. Upon entering the driveway to the farm please follow the posted signs and directions from staff.
3. You will be greeted and asked to pop your trunk. Follow the cones and guidance from our staff.
4. Once you pull up to the front of the line, our staff will take your name, bring your order out, and put it in your trunk.
5. After you receive your order, continue to exit the farm following posted signs.
6. Please exit the farm with caution paying close attention to entering traffic.

Pick-Up Safety:

- **DO NOT come to the Plant Sale pick-up if you are sick, showing signs of illness, or have recently been exposed to someone who has been sick.**
- Please remain in your vehicle. If you absolutely need to exit your vehicle, please ensure a 6ft. distance between yourself and others.
- If you are not able to pick up your order on the farm due to illness or other reasons, please contact laura@projectgrows.org ahead of time so we can arrange a plan for getting your order to you.

- This year, the Project GROWS Plant Sale is operating strictly through online pre order and a drive-thru pick-up format. If you do not order in advance online, you will not be able to purchase plants at the Plant Sale.
